

Come Hear the Word of The Lord!

March of 2009 will see a series of transitional shifts in the body of Christ. In this month we will witness God ushering in His divine plan for the regional locale of New England and specifically for the state of Maine. March marks the due date for spiritual birth and revival all across our country's eastern seaboard and beyond. It is the season God has chosen to show His daughters how to become complete women empowered for living.

Mark your calendars now: God's presence will fall like a true nor'easter at the Women of the Word conference in South Portland, Maine March 20 – 22nd. This will be by far the best thing to happen to this area. You will not want to miss it.

At this conference, as it is at every other conference WOW brings to the cities across our land, women will receive sound, biblical teaching. They will experience powerful times of worship and Spirit-filled prayer. Women will be encouraged, edified, and equipped to handle their day-to-day circumstances, as well as their most trying crises.

WOW's sold-out reliance on the perfect Word of God makes their conferences different than any other women's event out there. At a time when our culture is fixated on superficial beauty and surface level relationships, WOW remains wholeheartedly

committed to biblical truths and the in-depth study of God's Word. Today's women don't need simple, feel-good sessions of mere pampering. That type of teaching may offer a band-aid of hope, but long-term it will leave us little more than spiritual infants, tossed back and forth by the waves, and blown here and there by every wind of teaching (Ephesians 4:14).

Women today – myself included – need the supernatural heart surgery that comes through the Holy Spirit's cleansing and washing with water through the Word (Ephesians 5:26). That's what will equip us to stand strong with Christ in the midst of our trials.

Let's not be naïve. "The days are coming," declares the Sovereign Lord, "when there will be a famine in the land – not a famine of food or a thirst for water, but a famine of hearing the words of the Lord" (Amos 8:11). In that day those who are unprepared will stagger from storm to storm; uncertain of their future.

We will require completeness in Christ in order to persevere through whatever lies ahead in such a way that leaves an example worth following to those around us, as well as to the generation to come. Such maturity comes from the devoted study of God's Word and His ways, which is exactly what women will find through Women of the Word. WOW knows that the Bible alone

holds the keys to both our history and our destiny; providing the plan for all of our tomorrows.

Come hear the Word of the Lord! Come to S. Portland, Maine and soak up God's glorious presence with us this transforming month of March. The Spirit and the bride say, "Come!" (Revelation 22:17)
